History of the Grange

Lummi Island Grange is a service organization that sponsors the Spaghetti Dinner, 4th of July Pancake Breakfast, Fall Salmon BBQ, game nights, and dances. Grange members tutor students at Beach School and each year present third graders with dictionaries. We sponsor the Dolly Parton Imagination Library that provides one book each month to every newborn through five years of age. The Grange also sponsors college scholarships for local students.

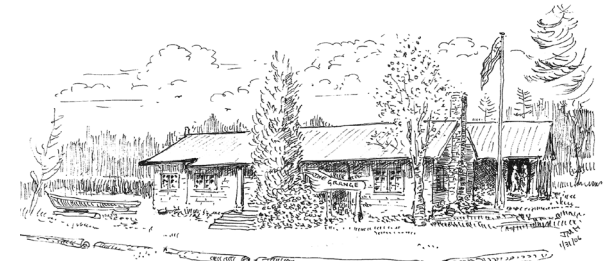

The Grange purchased the building in 1938. Since then, it is used by Islanders for parties, weddings, anniversaries, fund raisers, Town Hall meetings, community organization meetings, county meetings, dinners, and other gatherings.

The Grange is a hub of the community, a place where members and non-members alike can meet to discuss the issues important to them. It's where all Grange activities begin. The Grange serves as a vehicle for promoting positive changes which help improve the quality of life for all of us.
